

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Laurel A Kendall v State Bar of Michigan**
Docket No. **291124**
L.C. No. **08-001286 CZ**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal filed March 23, 2009 is DISMISSED for lack of jurisdiction because a timely filed postjudgment motion was still pending when this claim of appeal was filed. If an appellant files a motion for a new trial, reconsideration, rehearing, or similar postjudgment relief within 21 days of the entry of a final order, the finality of the order is suspended until the trial court denies that motion. An appeal as of right may then be claimed from the final order within 21 days after entry of the order denying the motion, which was done in docket 291497. See MCR 7.204(A)(1)(b).
